

## Stoke Cross

### Option A

This provides a relatively 'tight' settlement boundary and opportunities for new development would be more limited.

### Option B

This provides a more 'loose' settlement boundary and therefore there would be more opportunities for new development.

## Stoke Lacy

### Option A

This provides a relatively 'tight' settlement boundary and opportunities for new development would be more limited.

### Option B

This provides a more 'loose' settlement boundary and therefore there would be more opportunities for new development.
