

STOKE LACY PARISH

Neighbourhood Development Plan

Stoke Lacy Neighbourhood Development Plan Steering Group Meeting 22nd December 2021 at 7pm at The Plough

Attendees: Bill Morgan, Jo Davies, John Davies, Freddie Lewis

Apologies: James Wilson, Ali Parker and Anne Reece

Also attending: Janet Ivison

Notes:

1) **Review Flyer for distribution**

JD circulated draft flyer which was approved with the addition of the email address comments@stokelacy.co.uk and omission of individual names. Important that all comments are channelled through one source. JD to liaise with printer for 200 copies early January once new restrictions are announced.

2) **Agree distribution of the flyer.** Flyer to be distributed as soon as possible in the new year by the steering group as per previous leaflet drops. BM to distribute list by email.

3) **Preparations for Parish Meetings/Events.** JD had emailed a proto type of a board display which Nigel Brazier at Counterprint has been working on. It was agreed that this was appropriate and that NB could go ahead with further preparation. Then once Covid restrictions are announced it would be decided whether these would be used for the display boards and/or in a booklet form for distribution. It was agreed BM will produce the countdown posters as before and that posters could be adapted for display at the Village Hall, Church and pubs to publicise the consultation.

4) **Can we decide on meeting/virtual yet?** Not at this stage. Wait announcements post- Christmas.

5) **Anything further needed this year.** No

6) **Agree next NDP SG dates (below).**

The meeting closed at 8.05pm.

Proposed Future meetings
